

# **CORONAvirus**

## Visiting arrangements

**For patient visits,** the 4 x 1 rule applies: Each patient is allowed to be visited by one other person, once per day for a maximum of one hour.

One accompanying person each may visit cognitively impaired patients, for children up to the age of 18 and for persons with language barriers.

#### **Current visiting hours:**

2:00 p.m. to 6:00 p.m. (Mon to Sun)

### Hygiene regulations

#### Keep a safe distance

Keep enough distance between people, avoid handshakes or hugs.

#### Hand hygiene

Make sure to carry out regular and thorough hand hygiene. Use soap and water of a disinfecting agent.

### Face masks are mandatory

Please observe the mask regulation and wear a face mask.
